## Examination Application

I, \_\_\_\_\_, hereby make application for testing for the level of \_\_\_\_\_ (Rank). I have done diligence in my training of all items required for my practical examination and am confident of my ability to perform well at the testing. I have, as indicated by my personal training record, made use of outside personal times to practice the techniques, ideas, and forms taught in class. I have as well at times taken the initiative to request the assistance of other senior Black Belt instructors to observe and make corrections to my techniques. I understand the examination board will in particular be looking for these following points in my performance according to my level, my physical abilities and limitations, and other points which may contribute to or limit my performance:

- Good manners and respect for proper etiquette and protocol
- Humble but confident attitude
- Courage & determination
- Commitment
- Good form, proper speed & power
- Performance without hesitation
- Realistic demonstration

Attached is my cheque for the amount of \$\_\_\_\_\_.

I understand that I will be have no more than two opportunities to make the best of my performance. Pass or retest will be based solely on these performances.
